

ECO-FRIENDLY PROGRAM

Contribute to Environmental, Social and Governance (ESG) corporate programs and goals by keeping devices out of landfills and generate a positive impact on our environment.

SIMPLE PROCESS

Leasing a device has never been easier. In most cases your CPO Device Bundle will be in your hands the next day.

CPO'S YOU CAN TRUST

From a minor device repair to a complete cosmetic overhaul, our refurbishment process uses OEM components and follows strict certified processes to ensure our Grade-A devices look and work like brand new devices.

Device Leasing Program

Short-Term Device Ownership

In today's dynamic workforce environment, businesses are increasingly seeking flexible solutions to provide the latest smartphones to non-permanent employees, without the burden of full ownership costs.

Evergreen Wireless's smartphone leasing program offers an innovative alternative, allowing businesses to lease devices for a fixed term. This approach provides the advantage of having the latest technology with a predictable monthly expense, while minimizing upfront costs and offering financial flexibility.

1) Program Overview

- Lease a Certified Preowned (CPO) device and accessory bundle
 - Grade-A CPO Device
 - Protective Case
 - HD Glass Screen protector
 - Charging Cable
 - Wall Charger
- Select from in-market device models
- Lease Term: **6-months**
- Monthly Cost: **from \$50.00**
- Use BYOD Rate Plan from telecom carrier to mitigate any early-termination penalties

2) Customer Experience

- Lease initiated through telecom carrier or directly with Evergreen Wireless
- CPO Device Bundles are shipped directly from Evergreen Wireless
- CPO Device Bundles are under full warranty for the duration of the lease
 - If a replacement device is required, it will be done through an advance exchange process to minimize customer down-time and any loss of data
- Upon return, all data on the device will be securely wiped to ensure privacy and security.

3) End-of-Lease Options

- Evergreen Wireless will send a device return packaging to the customer, at the end of the lease term
 - Customer is welcome to keep the accessories at no additional cost or fee
- Customer may arrange to renew the existing lease for an additional term
