

CONSISTENT

Industry-standard grading is used for all CPO devices, providing a predictable and transparent experience, every time.

RELIABLE

The same grading is used on all devices, all the time. The latest grading tools provide for a scientific grading rather than a subjective opinion.

GUARANTEED

Our functional condition grading is guaranteed, and backed by our warranty should the device condition change after a period of time.

Certified Pre-Owned (CPO) Device Grading

Evergreen Wireless uses industry standard grading for all CPO Devices. This ensures compliance and transparency across all devices, for a consistent and predictable user experience.

	Grade A	Grade B	Grade C
Cosmetic Condition	<ul style="list-style-type: none"> No scratches or blemishes of any kind; like-new condition No traces of buffing or polishing 	<ul style="list-style-type: none"> Minimal scratches and blemishes No liquid damage No cracks on any part of the device No smudges or delamination 	<ul style="list-style-type: none"> Some scratches and blemishes No liquid damage No cracks on any part of the device Minor smudges and/or delamination
Functional Condition	Functional 0 <ul style="list-style-type: none"> Powers on and shows display Battery health is 90% or higher No display or functional defects or issues 	Functional 1 <ul style="list-style-type: none"> Powers on and shows display Battery health is 85% or higher No display or functional defects or issues 	Functional 2 <ul style="list-style-type: none"> Powers on and shows display Battery health is 80% or higher No major display defects Minor display defects: <ul style="list-style-type: none"> Max. 3 or 4 dead pixels LCD discoloration less than 1/2cm in diameter within 1cm from edge of display No other failures
Lock Status	<ul style="list-style-type: none"> No carrier or network locks 		
RF Test	<ul style="list-style-type: none"> Device must receive carrier network signal and successfully complete phone calls 		
Kitting	<ul style="list-style-type: none"> Kitted with accessories (Charging Adapter & Cable)
